

# **Hazard House – Outside Display/Panel Boards**

## **Outdoor Safety**

**Presenter should go panel-by-panel and ask the audience what they see wrong or dangerous on each and discuss how they could be safety or fix it.**

### **1<sup>st</sup> Panel – Water Safety & Playground Safety:**

Things Wrong: Horse playing on diving board, swimming close to diving board, running on wet pool deck, diving in the shallow end, no lifejackets, gate left open, young toddler going towards pool with no supervision, no adults supervising at all, standing on a swing, sitting the wrong way on the teeter-totter & should not misuse playground equipment.

### **2<sup>nd</sup> Panel – Pedestrian & General Safety:**

Things Wrong: Girl on skateboard with no helmet, girl on skateboard riding down the middle of the road, boy playing in sprinkler while dad is mowing the lawn & baby falling out of the window.

### **3<sup>rd</sup> Panel – Pedestrian & Bike Safety:**

Things Wrong: Using walkman while crossing the road, not looking both ways for traffic, kids riding double on the bike with no helmets, BBQ too close to house & not using the crosswalk.

### **4<sup>th</sup> Panel – Pedestrian & Driveway Safety:**

Things Wrong: Girl crossing road without looking, man driving and not looking where he's going & toddler playing in driveway behind a car that is backing up.
